Dear State Bank of Herscher customer,

As a valued customer, we want to let you know what actions that we are taking in response to concerns about the uptick in local COVID-19 cases. The health and safety of our customers and staff remains our top priority, and we are committed to serving your financial needs no matter how the situation resolves.

Effective Friday, October 30, 2020, we are closing our lobbies to general traffic. Customers may make appointments to meet with our staff as needed. Our drive-ups and ATMs remain available as well. We will continue to monitor our risk and communicate as needed.

We encourage you to consider managing your accounts using our online banking and mobile app. These 24/7 services allow you to safely view transactions, check balances, make payments, deposit checks and more – all from the comfort of your home. As always during normal business hours, you may also contact us at 815-426-2156 (H) or 815-932-9160 (L).

Sincerely,

Randall Chaplinski
President/CEO
State Bank of Herscher
